COPYRIGHT INFRINGEMENT NOTIFICATION (DIGITAL MILLENNIUM COPYRIGHT ACT)

A. Copyright Holder Information:

If you believe your copyright protected work was posted on the website without authorization, you may submit a copyright infringement notification. These requests should only be submitted by the copyright owner or an agent authorized to act on the owner's behalf.

If you request removal of content by submitting an infringement notification, please be advised that you are initiating a legal process and misuse of this process may have legal consequences. **Do not make false or unauthorized notifications.**

To submit a copyright infringement notification send an email to Website Information at info@pauseforinformation.org (subject line: "DMCA Notification") including your contact information (name, location with mailing address, telephone, and email), specific information concerning the work you are seeking to protect and your rights thereto, and identification information (such as the specific URL and username) for the infringing content and alleged violator. In addition, your notification must include the following statement verbatim: "I have a good faith belief that the use of the material in the manner complained of is not authorized by the copyright owner, its agent, or the law and the information in this notification is accurate, and under penalty of perjury, I am the owner, or an agent authorized to act on behalf of the owner, of an exclusive right that is allegedly infringed." Finally, include your physical or electronic signature on the notification evidencing that you are the copyright owner or a representative authorized to act on the owner's behalf. You acknowledge that if you fail to comply with all of the requirements of this section, your DMCA Notification may not be valid.

Please be advised that Pause may send the infringement notice to the alleged infringer or, if Pause has any reason to suspect the validity of your complaint, to the rights holder. Please also note that a copy of each legal notice received by Pause may be sent to the Chilling Effects project (<http://www.chillingeffects.org>) for publication and annotation. It is Chilling Effects' policy to redact the submitter's personal contact information (i.e. phone number, e-mail and address).

B. User Information:

If you believe that your user submission or other content, which was removed (or to which access was disabled) pursuant to the above provision, is not infringing, or that you have the authorization from the copyright owner, the copyright owner's agent, or pursuant to the law, to post and use the content in your user submission, then you may send a counter notification to Website Information at info@pauseforinspiration.org (subject line: "DMCA Counter Notification"). The counter notification must include your contact information (name, location with mailing address, telephone, and email), specific information identifying the content that has been removed or to which access has been disabled (including the location, such as the specific URL, at which the content appeared before it was removed or disabled), and a statement that you have a good faith belief that the content was removed or disabled as a result of mistake or a misidentification of the content.

Please be advised that Pause may send the counter notice to the original complaining party informing that person that it may replace the removed content or cease disabling it within 10 business days. Unless the copyright owner files an action seeking a court order against the user who submitted the content, the removed content may be replaced, or access to it restored, in 10 to 14 business days or more following receipt of the counter notification, at the sole discretion of Pause. Please also note that a copy of each counter notice received by Pause may be sent to the Chilling Effects project (<http://www.chillingeffects.org>) for publication and annotation.
